

**The Delta Princess**

The Delta Princess  
The Mississippi's finest luxury riverboat.

Dearest Mummy,

Shastly weather, hordes of  
mosquitoes, rugged American  
scenery. Spicy "creole" food  
positively smashing, but it does  
not agree with my delicate system.  
Interesting problem of corpse on  
board. Our elusive quarry has  
a definite air about him... or is  
it her? Will need some help  
with this one.

Your devoted son,  
Charles
