SubLOGIC MEDIA POLICY

SubLOGIC Communications Corporation warrants all media for a period of 6 months from the date of purchase. In addition, SubLOGIC Communications Corporation will replace any media that are out of warranty at a minimal charge* SubLOGIC Communications Corporation will extend this replacement service for a period of not less than 10 years after purchase.

If you wish to return defective cassettes or disks, please return *the media only*.

We have established an efficient and very fast repair/replacement system which promises long-run benefits to you. Returning the manuals will complicate the system and will raise shipping costs.

*Example: replacement charges on November 1, 1981, \$5.00 for a disk.
