■ For Apple® II + ,IIe,IIc.  
64k minimum, one disk drive

BAUDVILLE

Perfect for your next party or brushing up for that Las Vegas Holiday!

Video Vegas entertains the beginner & challenges the pro. Develop your strategy while enjoying colorful animated graphics. These games look and work exactly like the video games in Las Vegas casinos.

Blackjack, Draw Poker, Slots, or Keno... set the stakes for authentic casino action.

### Hacker Jack: The Spirit Lives On

Man has always embraced the spirit of Hacker Jack. It's the spirit of discovery... of invention... of adventure; the force that has taken us from Columbus to the Wright Brothers to Sally Ride.

Hacker Jack is the symbol for those who possess this endless desire to learn and create. That's why Hacker Jack software is designed for and dedicated to the hacker in all of us.

Who is Hacker Jack?  
He might be you.

#### System Requirements:

- Any Apple® II series computer with 64K memory & one disk drive, including Apple II, II + ,IIe,IIc.
- Color monitor recommended but not required
